**SECTION V - TERMS OF REFERENCE (TOR)**  
**CONSULTANCY SERVICES TO DEVELOP ISIOLO COUNTY INTEGRATED**  
**DEVELOPMENT PLAN (2018-22)**

**1. Background**

The County Government Act 2012, in fulfilment of constitutional requirement to legislate preparation of county plans, details the goals and procedures of “County Planning” (Part XI of the Act). County planners are required to prepare 5-year Integrated County Development Plans and the Annual County Budgets to implement them as per section 108 (1) of the Act.

Further, Section 104 (1) of the Act states that, “a county government shall plan for the county and no public funds shall be appropriated without a planning framework developed by the county executive committee and approved by the county assembly”. It also states that the county planning framework shall integrate economic, physical, social, environmental and spatial planning.

Act requires a “Five-Year County Integrated Development Plan”, the PFMA (Part IV Section (126) (1)) requires both a long-term and medium term plan. According to the PFMA, a budget process for the County Government in any financial year shall consist of the following stages:

- i. Start with an integrated development planning process, which shall contain both short term and medium term plans.
- ii. Every county shall prepare a development plan as per Article 220 (2) of the Constitution.
- iii. Budgets are to be based on programmes, projects and other expenditure contained in the plan.
